G. O. P'S TO BLAME

ARE RESPONSIBLE FOR EMBARASSMENT OF GOV'T. ACTIVITIES

RESULTS ARE SERIOUS

Unless Pending Legislation Is Enacted Into Law by July 1 Much Government Machinery Must Stop.

(By W. C. Van Cleve)

Washington, D. C., March 13.—The sixty-fifth Congress was born in trouble and ended in turmoil. It began amid the gathering clouds of war and closed in a storm of personal and political wrath.

It had a most unfortunate ending. Most all the important work of the House of Representatives during the last session was nullified by three or four republican Senators during the last week of the session. The whole responsibility can not be laid at the door of tese three or four who Senator Lodge, in viewing the wreck they hal accomplished, declared had been "beyond control," because the movement to force an immediate session had its initiative among the leaders of the minority in the Senate.

Some of them were very anxious to meet soon and begin the work of organizing the next Senate in order that their differences might be the sooner composed and the distribution of patronage be over with. Others are violently opposed to the league of nations now proposed and wanted to keep up the discussion while most of them resented the failure of the President to consult them prior to his departure for Europe.

The result was that they threatened that, unless the President agreed to call an early extra session, they would pre the passage of the big supply bills necessary for continued Government operations. The President refused to do so and had all the better of the argument. He pointed out that the responsibility for passage of these bills was upon them and he refused to assume it. Feeling between the minority and the President grew more frigid from day to day and the result was that a large number of important bills were not allowed to come to a vote.

The results are serious and far reaching. The bill guaranteeing the 1919 prices on wheat was passed carrying an appropriation of a billion two hundred million dollars to cover possible loss to the Government. But the army bill, the naval bill, the sundry civil bill, the Indian bill, the deficiency bill, the oil leasing bill which has been pending and the river and harbor bill, together with many general bills of importance including the bill appropriating $750,000,000 for the railroads, were left on the operating table.

Many government activities are thus either embarrassed or brought to a sudden termination. If these bills or others of similar nature should not be enacted into law by July first, a great deal of the machinery of the Government must stop. The responsibility is distinctly on the men of the Senate because that was the business that was properly before the Senate. While the league of nations as proposed is a fit subject for study and discussion by men of all parties, it was not to be passed upon by the senate just ended. The appropriation bills were.

So whatever damage has been done must be charged to the republicans of the Senate who brought about the failure of these bills. Both democrats and republicans of the House had worked hard and had made up and passed the bills through the House and generally speaking. I believe, regretted their defeat in the Senate.

WILSON PUSHES LEAGUE PLAN

Announces Deterination to Force Signing of Covenant—Peace Pact Ready for German Envoys.

Paris, March 17.—A feeling of nervousness has arisen in Paris today as a result of Persident Wilson's determination to force the signing of the covenant of the league of nations. At the same time the German envoys are ordered to place their signatures to the preliminary peace treaty. The statement of foreign minister Pinchons that he believes it will be impossible to sign the two documents concurrently represents the French view that the primary necessity is to make tentatiev peace with Germany. then complete the covenant of the league of nations by the time the final treaty is ready.

Bad Wreck on Wabash.

In a wreck on the Wabash Saturday night, the engine of No. 14 going east went into the ditch a mile east of Pattonsburg. It is reported that the fireman, French, was killed and the engineer, Newcomb, was badly injured. This report has not been officially verified. It is said the wreck was due to soft track from recent rains and high water throughout that section.

THE CENSUS TAKERS

SUPERVISORS AND ENUMERATORS SOON TO BE APPOINTED

PLAN TO BE FOLLOWED

Applicants for Appointments Will Be Required to Take Examination Avoid Political Patronage.

Washington, D. C., March 17—The Act providing for the Fourteenth and subsequent decennial censusses was signed by the President on March 3. The enumeration, which will be made in January 1920, is now less than ten months distant; and the Census Board already has under consideration the selection and appointment of not to exceed 400 supervisors who will have charge of the 90,000 enumerators. The supervisors' districts will, in most cases except in the large cities, have the same boundaries as the Congressional districts. The supervisors, undr the law, are to be appointed by the Secretary of Commerce upon the recommendation of the Director of Census.

The following instructions have been given by the Secretary of Commerce to the Director of the Census in regard to the procedure to be followed in making selections and appointments of census supervisors:

"Conforming to the assurance given the President in my letter to him of March 3rd, you will please be guided by the following instructions respecting appointments to the post of supervisor in connection with the taking of the Fourteenth Census of the United States:

"A test examination, of which a record will be kept, is to be required for appointment to the post of supervisor. In addition to this, a careful personal inquiry is to be separately made respecting the qualifications of each candidate. Of this inquiry, also, a record will be kept.

"In making appointments from those who shall have passed the test examination and the separate inquiry as to qualifications, preference is to be given to those who have had executive, administrative, statistical, or accounting experience and to those who have had charge of bodies of men as administrators, provided in all cases that men with the experience stated possess the other qualifications necessary.

"You will arrange to give notice to the above effect to every candidate applying for appointment and to his sponsors, and no candidates are to be selected for appointment who do not pass both the test examination and the personal inquiry.

"You are requested to ask the Civil Service Commission to prepare the blanks for the test examination or to cooperate with you in the preparation of them. You will welcome the assistance of the Civil Service Commission in this and in any other respect in which they can be helpful to you.

"It is my earnest desire, as I know it is your own, that this census shall be an example in its quality, as well as in its promptnss. I need hardly say that neither result can be had unless the supervisors are selected with special care to their individual fitness for their task. I am depending on you as the responsible officer in immediate charge of the work to see that every precaution is taken to achieve this result. In particular, the appearance as well as the fact of political patronge are to be avoided and fitness for the work to be done will be the controlling factor in the appointments."

The Director of the Census has already taken steps to carry out the instructions of the Secretary.

The supervisors' duties will occupy their time for the greater part of a year, beginning about July 1, 1919. Their compensation will be $1,500, plus $1 for each thousand or major fraction of a thousand of population enumerated. The total compensation is an average-sized district, outside a large city, will therefore be between $1,700 and $1,800. Clerk hire and other necessary expenses will be paid by the Government.

All candidates for supervisorships should address their applications to the Director of the Census, Washington, D. C.

DEMAND CHARLES' RESIGNATION.

London, March 17.—The demand for the speedy and unconditional abdication of former emperor Charles of Austria because of strong political factions plotting to return the throne, is made by the newspaper, Arbiter Zeitung of Vienna, said an Amsterdam dispatch to the Daily Express today.

ESTIMATE NORMAL DAMAGE

The Contractors Have Not Reported Amount That Will Be Needed—Takes $1,200 to Replace Windows.

An estimate of the damage to the State Normal School building by the storm Saturday is being made by contractors and as soon as it is known will be sent to the legislature which is in session at Jefferson City to get an appropriation to cover the repairs necessary to make. It is not known how much the damage will amount to. An estimate for glass for the windows that were blown out is $1,200 while for equipment damaged in the different departments the estimate will not exceed $200.

For repairing the roof and the auditorium, no estimate has been made of the damage.

RIVERS BANK FULL

BRIDGE OUT ON WABASH NEAR CITY TIES UP TRAINS

102 RIVER IS BANK FULL

Heavy Rains Over This Section Interrupts Railroad Traffic—Nodaway Is Out of Banks.

Trains on the Wabash were tied up today on account of sixteen feet off of the west end of the dump of the 102 river bridge being washed out by drift wood. Passenger train No. 51 going west and three freight trains were able to pass over this bridge early this morning. A work train is busy at work on this bridge today and the Wabash authorities think service will be resumed probably late this evening.

Wabash passenger train No. 11 due here at 5:55 a. m. was detoured from Chillicothe to St. Joseph and then to Maryville and was scheduled to arrive here this afternoon. Passenger train No. 12 from the west arrived on time and remained here today and will go back to Omaha this evening as No. 3.

The Wabash reported today that the Grand river was still rising at Pattonsburg.

Trains on the Burlington through Maryville were practically on time yesterday and today. The 102 river was very high between Arkoe and Barnard but the track was still clear. The Burlington main line trains from St. Joseph to Omaha ran through Maryville yesterday to Creston, then to Omaha, as the main line was washed out.

The 102 river was still bank full this afternoon and was not falling much. In the low places, the water is out over the lowlands. Travel over the river bridges could be made.

No report has been received by County Clerk Fred Smith whether any bridges were washed away up to this afternoon.

At Graham the storm did considerable damage blowing down trees and small buildings. A silo and a small shed on the Arthur Steveson farm were demolished and a silo and shed on the Frank Kempton farm were blown to pieces. The Nodaway river was reported out of banks this morning and several bridges south of Graham were reported out. No trains were run on the Burlington Junction branch Sunday, the schedule being resumed this morning.

The rainfall at Maryville for Saturday was reported by Weather Observer Brink at 1.95 inches.

TORNADOES TOLL, 17 KILLED.

Vicksburg, Miss., March 17.—With wires still down to points where the tornado crossed the Mississippi river yesterday and tore its way through Sharkey, Washington and Issaquena counties in Mississippi the toll of dead today is placed at seventeen with between one hundred and fifty and two hundred injured.

A marriage license was issued Saturday to Dale Bishop Gates and Ruth Edith Lamar, both of Elmo.

URGE CREDIT BANK

BANKERS AND MANUFACTURERS AFTER FOREIGN BUSINESS

MAY REPEAL TAX COM'N

Senate Orders Engrossment of Measure—Foreign Language Bill Brings Storm of Protest.

Jefferson City, Mo., March 17.—A measure permitting bankers and manufacturers of the state to form a discount bank for the purpose of carrying on business with foreign countries has been introduced into the assembly at the request of St. Louis bankers and business men.

Breckenridge Jones, president of the Mississippi Valley Trust Company, and Festus J. Wade, president of the Mercantile Company, appeared before a joint meeting of the house and senate and urged the adoption of the measure. They agreed that if permitted by law to organize such a bank, by permitting other banks and corporations to purchase stock much business could be secured from foreign countries. They declared that because of the lack of ability to extend proper credits this section of the country has been unable to secure its share of the business.

The plan is to form a bank with from $3,000,000 to $5,000,000 capital stock and carry accounts of foreign countries and business concerns who are desirous of making purchases here.

The bank will not receive deposits or be in competition with other banks. The speakers declared that with such an institution more business would come to this section than had ever been known heretofore.

The senate has engrossed the measure providing for the repeal of the Tax Commission law by a vote of 17 to 12.

Officers of the Anti-Horse Thief Association have been here urging legislation providing that a certificate of ownership must be furnished with every automobile sold. They contend that if this is done fewer cars will be stolen. Persons familiar with the association are of the opinion that a great deal will be accomplished should the law be enacted.

Members of the legislature are being bombarded with petitions from Germans and German organizations against the passage of Representative Cave's bill prohibiting the teaching of all foreign languages in elementaary grades of the public, private and parochial schools of Missouri.

The senate has engrossed an amendment to the constitution providing for an increase of pay for legislators from $5 a day to $1,000 a year.

The tax on soft drinks will probably be fixed at 2 cents a gallon instead of 5 cents as was at first proposed. The tax is now ½ a cent per gallon.

SOLDIERS--SAILORS, ATTENTION!

Home Service Red Cross Section Will Lend Aid in Getting $60 Bonus.

The Home Service Section of the Nodaway County Chapter, American Red Cross, wihses to call attention to the fact that our Executive Secretary Miss Betty Turner, will assist any soldier or sailor in securing the $60.00 bonus which is due them according to the Revenue Act, approved February 24th to all persons serving in the military or naval forces honorably discharged. This bonus is not payable to heirs. Miss Turner is making an effort to talk to every discharged sailor or soldier in this county, and if you have not talked to her make it a point to call on her.

Miss Turner will also assist you with the matter or non-receipt of your bonds and also your insurance, as the case may be.

All this service is free to you and Miss Turner is glad to assist you in any way possible.

The annual luncheon of the P. E. O. chapter will be given at 6:30 o'clock Friday eveniny at the home of Mr. and Mrs. C. C. Corwin on South Main street.

GAS USERS WIN A VICTORY

U. S. Supreme Court Decides Kansas Natural Must Lower Rates to Kansas and Missouri Towns.

Washington, March 17.—The Public Utilities Commissions of Missouri and Kansas this afternoon won their five year's battle to secure lower gas rates for Kansas City and neighboring towns in Missouri and Kansas when the supreme court of the United States reversed the decision of the lower courts. The high court held that the Kansas Natural Gas Co., was engaged in interstate commerce, and therefore, was not under state jurisdiction. The court also decided that the state of Kansas would be permitted to file suit at the next term of court to restrain Postmaster General Burleson from maintaining long distance telephone rates recently approved by him.

BERNARD MUSE A SUICIDE

Find Body at Home in St. Joseph—Had Been Dead Several Days When Found.

The body of Bernard Muse, a former resident of Parnell was found last night at the house he had been living in in St. Joseph. He had committed suicide by taking carbolic acid and had been dead eight or nine days when the body was found.

Muse had been discharged from army service a number of weeks ago. For several years past he has made his home at intervals in St. Joseph. He had been married but he and his wife had separated and to this trouble and frequent spells of drunkness are attributed his suicide.

He was last seen about nine days ago and efforts to locate him were useless. Officers finally visited his home and broke into the house to find the dead body.

Muse was about 28 years old and is the son of Mrs. S. A. Muse of this city. He is a grandson of Mrs. Mary Thompson of Parnell and also leaves a sister. Mrs. Roy Duhean of Oklaoma.

The body will be brought to Parnell for burial.

CROWD ENJOYS PROGRAM

Westminster Guild, Assisted by Sunday School Orchestra and Choir Singers, Gives Entertainment at Presbyterian Church.

A large crowd attended the entertainment given last night at the First Presbyterian church under the direction of the Westminster Guild. The musical program was exceptionally enjoyable and was given by the Sunday school orchestra, and in addition to the regular members, Mr. John Jordan of Hydro, Okla., a member of Kryl's band, who is visiting his uncle, R. E. Thomas, played with them. A quartet given by Misses Mildred and Jennie Evans, Helen and Edna Dietz, was especially pleasing and a solo given by Mr. Emery Airy and a duet by Miss Zenor and were equally enjoyed by the audienece. A missionary pageant was given in costume by thirteen members of the Guild, the story being under the title "The Spirit fo Westminster Guild"

Mr. and Mrs. Arch K. Frank spent the week end at Parkdale farm, the guests of Mr. and Mrs. Dale Bellows.

Walter Messenger of Bartlesville, Okla., arrived in Maryville last night for a few days visit.

BOLSHEVIST GOVERNMENT SENDS 175 MILLIONS INTO GERMANY

RED DANGER THREATENS

Unless Bolshevism Is Crushed a General European Conflagration May Envelop—1,500 Reds Executed.

Helsingfors, March 17.—The Russian Bolsheviki government is sending 175 million dollars into Germany to finance revolutionary organizations it was learned today from an authoritative source. This is further proof of the contention that a general European Bolshevist conflagration can be averted only by the crushing of Bolshevism in Russia and by using a strong armed force to capture Petrograd. It is said that the establishment of a Polish buffer state against Bolshevism is believed in some quarters to be foredoomed to failure. There is grave danger that Esthonia is contemplating a straight peace with the Soviet government.

Berlin, March 16.—(via London, March 17.)—Fifteen hundred Spartacides including many women have been executed at Boabit prison in four days and it will take another week to kill all the Spartacide prisoners under sentence of death, it was stated today by Captain Delavoihe, who is in charge of the executions. "The Battle of Berlin" came to an end Friday and it is expected the city will remain quiet until the end of the month when there may be another outbreak. Excitement over the prospect of early peace has taken public attention to the exclusion of other matters for a time. The government is rounding up prisoners and arms, the work being conducted in a systematic manner throughout the city.

I was down at Maryville last week assisting Judge Dawson to run the Circuit court is the reason I failed to give The Mail readers my accustomed batch of observations. You see I and the Judge were boys together and used to splash around in the same swimming hole. Things of this kind tend to foster a brotherly feeling. A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes —Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 10c and 25c per box. All druggists.

DALLAS BUSINESS MAN ENDORSES IT

White Sewing Machine Manager Believes Tanlac Will Help All Other Sufferers.

"If it hadn't been for what other people said about Tanlac I might be suffering yet, and nobody need fear troubles like I had as long as Tanlac is made," said H. A. Morrison, local manager for White Sewing Machine Co., Dallas, Tex., and living at 3517 Brown street, that city.

"I suffered from a long-standing and stubborn case of stomach trouble," he continued. "My stomach was nearly always full of gas that gave me no end of misery, and I had to quit eating most everything but broth and light diet. I had such an awful pain in my right side that I couldn't stand up straight and sometimes I would almost double up in agony. I had terrible headaches, my sleep was so broken it didn't do me any good and I felt tired and worn out all the time.

"I read of a man in Tennessee who had gotten relief from the same trouble as mine by taking Tanlac, so I decided to try it. Before I had finished my first bottle I began to feel better and a few more made me feel like a different man. I get as hungry as a bear at meal times, eat anything I want and nothing hurts me at all. I sleep as sound as a log and get up full of life energy, I have already gained eight pounds and my work is a real pleasure to me now."

Tanlac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, Conception Junction; H. M. Lincoln, Pickering, and Carter Pharmacy, Burlington Junction, Mo., and in Barnard by Bear Drug Store, in Elmo by King Drug Co., and in Clearmont by Dr. W. H. Wiley.—Adv.

Salute the New Spring Styles for Men---

Most men like to have some information in advance about the new ideas in men's clothes; and because most men consider this store as a style center, we believe they'll appreciate these style notes for spring '19. We make it a point to be first with the newest; we get the best clothes that are made for you; clothes produced by real style creators—

Hart, Schaffner & Marx and Clothcraft

GENERAL TENDENCIES

In the spring styles created by these great clothes makers you'll find that the openings at the front of the coats are a little lower; lapels are slightly narrower; the notches of the lapels are a little lower; the coats are body tracing with a little more suppression at the waist line.

The new styles are especially becoming to the well set-up fighter coming back and to the average young American.

The Liberty stripe in suits is the newest idea; checks; overplaids; mixtures; browns, greens, blues, sage; plenty of color and life.

In our new store we are prepared to give you the very best service in showing you the goods, try-on and selection. The stock is the largest we have ever carried and you will be able to find just the suit you want here.

Hart, Schaffner & Marx Suits $30 to $50

FOR BURNING ECZEMA

Apply Zemo the Clean, Antiseptic Liquid—Easy to Use —Does Not Stain

Greasy salves and ointments should not be applied if good clear skin is wanted. From any druggist for 35c, or $1.00 for large size, get a bottle of Zemo. When applied as directed it effectively removes eczema, quickly stops itching, and heals skin troubles, also sores, burns, wounds and chafing. It penetrates, cleanses and soothes. Zemo is a clean, dependable and inexpensive, antiseptic liquid. Try it, as we believe nothing you have ever used is as effective and satisfying.

SOCIETY and CLUBLAND

By KATE SCHENCK

PHONES—OFFICE 42. HOME 693

Calendar.

The Epworth League of the Methodist church, South, will give a St. Patrick's social tomorrow night at the church.

The meeting of Division B, of the Ladies Aid society of the First Christian church, which was to have been held Wednesday afternoon at the home of Mrs. James B. Robinson, has been indefinitely postponed.

The Penelope club will meet Wednesday afternoon at 2:30 o'clock at the home of Mrs. R. S. Braniger.

There will be a mother's council held Wednesday afternoon at 2:30 o'clock at the home of Mrs. Ed T. Dale for the mothers of the children in the cradle roll department of the Methodist church, South.

The New Era class of the First Presbyterian Sunday school will give a pie supper at the church Thursday night. There will be several entertainment features and evryone is invited.

The Women's Foreign Missionary society of the First Methodist church are working this week on a special program for next Sunday morning at the church for their annual "Thank Offering" service.

Lamar-Gray.

Miss Ruth Lamar and Mr. Dale Gray, both of Elmo, were married at 2:30 o'clock Saturday afternoon at the study of the Methodist church, South, the pastor, Rev. R. C. Holliday, performing the ceremony. The young couple are prominent people of the Elmo community and will make their home there.

Mrs. W. T. Garrett gave a dinner yesterday noon entertaining all the members of the family. Those present were Mr. and Mrs. W. O. Garrett and children, Arthur and Gertrude, Mr. and Mrs. Frank Garrett and son, Billy, Mrs. Nellie Airy, Mr. and Mrs. Milton Garrett and Miss Jennie Garrett.

Snapp-Bell.

Mrs. John Snapp announces the marriage of her daughter, Miss Pearl Snapp, to Mr. J. F. Bell of Kansas City, which took place March first in Kansas City.

A Theatre Crowds Experience.

Four Maryville girls went to St. Joseph Saturday evening to see the presentation of "The Auctioneer," by David Warfield at the Lyceum. It rained and rained, in Maryville all the way down and in St. Joseph, and by the time the girls came back to the hotel after the show their dresses were wet and the whole bunch sent them to the hotel cleaners to be made ready for Sunday. The cleaner mixed the garments up sent them some where else and the visiting girls had to remain ala kimona in their rooms at the hotel until afternoon before the clothes were found and returned.

Mission Circle Entertained.

Mrs. G. B. Roseberry, Mrs. Frank Green and Mrs. Ed Hamlin entertained the Mission Circle of the First Christian church Saturday afternoon at the home of Mrs. Roseberry. The program was in charge of Mrs. A. K. Frank and readings upon the topic of the afternoon were given by Mrs. Newton Hagin, Mrs. M. L. Grable, Mrs. E. E. Faris and Mrs. Fraank Reavis and several musical numbers were given by Mrs. Harry Todd. One of the most pleasant parts of the program was the reading of greetings from four former members, Mrs. John Claude Miller of Boulder, Colo., Mrs. Harold Bellows of Chicago, Mrs. William Wade Smith of McCook, Nebr., and Mrs. Frank Flynt of St. Louis. A luncheon and social hour followed the program.

Avoid a constipated habit, it breeds disease in the body. An occasional dose of Prickly Ash Bitters will keep the bowels healthy and regular. Price $1.25 per bottle.—Maryville Drug Co., Special Agents.

All Choked Up With Catarrh? Why Continue Makeshift Treatment?

Sprays and douches will never cure you.

Catarrh is annoying enough when it chokes up your nostrils and air passages, causing painful and difficult breathing and other discomforts. But the real danger comes when it reaches down into your lungs.

This is why you should at once realize the importance of the proper treatment, and lose no time experimenting with worthless remedies which touch only the surface. To be rid of Catarrh, you must drive the disease germs out of your blood.

Splendid results have been reported from the use of S. S. S., which completely routs from your blood the Catarrh germs, for which it is a perfect antidote.

S. S. S. is sold by all druggists. If you wish medical advice as to the treatment of your own individual case, write to-day to Chief Medical Adviser, Swift Specific Co., Dept. B, Atlanta, Ga.

NERVOUS PROSTRATION

May be Overcome by Lydia E. Pinkham's Vegetable Compound — This Letter Proves It.

West Philadelphia, Pa.—"During the thirty years I have been married, I have been in bad health and had several attacks of nervous prostration until it seemed as if the organs in my whole body were worn out. I was finally persuaded to try Lydia E. Pinkham's Vegetable Compound and it made a well woman of me. I can now do all my housework and advise all ailing women to try Lydia E. Pinkham's Vegetable Compound and I will guarantee they will derive great benefit from it."—Mrs. FRANK FITZGERALD, 25 N. 41st Street, West Philadelphia, Pa.

There are thousands of women everywhere in Mrs. Fitzgerald's condition, suffering from nervousness, backache, headaches, and other symptoms of a functional derangement. It was a grateful spirit for health restored which led her to write this letter so that other women may benefit from her experience and find health as she has done.

For suggestions in regard to your condition write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years experience is at your service.

MAKE OLD SHOES WEAR LIKE NEW

"I had Neōlin Soles put on my shoes—wore these shoes every day for fifteen months, then had Neōlin half-soles put on. They are still in good condition," writes F. T. Evans, of Seattle, Washington.

This is cutting shoe bills down to the minimum through Neōlin Soles. Anyone can do this if he will follow Mr. Evans' example, and have his shoes re-bottomed with Neōlin Soles. These tough, durable soles cost no more than soles that give only ordinary wear. And all good repair shops have them.

Neōlin Soles come on new shoes, too—in many styles for men, women and children. They are created by Science to be all that soles should be—comfortable and waterproof, as well as long-wearing. They are made by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear any other heels.

Tired, Weak, Dizzy Women with Headache, Pains—here and there

Should find relief from their sufferings by taking the Woman's temperance Tonic and Nervine, which has helped so many women—some of them right in your neighborhood.

A woman suffering from nervous prostration, excitabilty, or dizziness, derangement, or displacement of the special organs, will find health regained after using Doctor Pierce's Favorite Prescription.

For women who are run-down and over-worked; at the critical periods in a woman's life; from girlhood to womanhood, and later, this is especially adapted to her needs, for it strengthens and regulates. In tablet form or liquid, at druggists. Write the specialist at Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., for free confidential medical advice. Send ten cents for trial package Favorite Prescription tablets.

The System is something like a clock—it needs oil occasionally. Everyone should take castor oil, or something better, like Doctor Pierce's Pleasant Pellets, which are made of May-apple, jalap, aloe—sugar-coated. They regulate, cleanse and oil the human clock-work.

The Shows Only New Car

DON'T FAIL TO SEE AND RIDE IN IT

The Essex-$1395

HAS ECONOMY OF THE LIGHT CAR; COMFORT PERFORMANCE AND ENDURANCE OF THE COSTLIEST ,

The most interesting exhibit at the automobile shows this year is the one new car—the Essex.

Its coming has been looked forward to for more than a year.

The announcement awakened a new interest in motor cars. Thousands have already seen and ridden in it. Dealers have had to establish waiting lists for buyers, as deliveries can not be made as promptly as everyone wants them.

The Essex possesses the riding qualities and endurance, the elegance and refinement, that have been the exclusive attractions of large,costly cars.

It does not cost much to buy or to maintain an Essex.

You Should not Only See It—
You Should Ride in the Essex

As you view the various exhibits at the automobile show, you will see the cars you already know. A few changes in body design perhaps, but nothing of importance mechanically has been produced during the past year.

The Essex, therefore, is the distinctive car, for it is new in name, type and value.

It is light in weight. It has the qualities, economy and low operating cost that make the light, cheap car attractive. It has the easy riding qualities and the performance and the long endurance, as well as the refinement of appointment of large and costly cars.

Rattles and squeaks which cause cars soon to grow old are not so likely to develop in the Essex. Its frame is as rigid as a bridge girder. Every wearing part is adjustable.

Every one who attends the automobile shows should arrange to ride in the Essex. It rides so easily you won't be reminded of every cobblestone.

Its First Year's Production
Is a Second Year's Car.

When the Essex was put on the road last year its builders knew there need be no haste in getting into quantity production. So the engineers had months to refine and to develop it. The result is equal to that which comes to a car in its second year, after all the annoyances and discrepancies, so common to a first year production, had been completely eliminated.

Its dealers, through long association with fine quality cars, are leaders in their respective communities. You will find Essex dealers in every important automobile distributing and selling center in the world.

Go Straight to the Essex Dealer
And Say You Want a Test Ride

If you don't get an opportunity to ride in the Essex during the show, then go to the nearest Essex dealer and arrange for a ride. Nearly every Essex dealer now has his first cars. They are all alike. Anyone will make good. Any you should know what the Essex can do.

ESSEX MOTOR CARS

This invitation is to everyone. Nothing helps the Essex so much as to have people ride in it. We know what you will say. It will be what hundreds of thousands are already saying.

VOLUME 9. MARYVILLE, MISSOURI. MONDAY, MARCH 17, 1919. NO. 242

G. O. P'S TO BLAME

ARE RESPONSIBLE FOR EMBARASSMENT OF GOV'T. ACTIVITIES

RESULTS ARE SERIOUS

Unless Pending Legislation Is Enacted Into Law by July 1 Much Government Machinery Must Stop.

(By W. C. Van Cleve)

Washington, D. C., March 13.—The sixty-fifth Congress was born in trouble and ended in turmoil. It began amid the gathering clouds of war and closed in a storm of personal and political wrath.

It had a most unfortunate ending. Most all the important work of the House of Representatives during the last session was nullified by three or four republican Senators during the last week of the session. The whole responsibility can not be laid at the door of tese three or four who Senator Lodge, in viewing the wreck they hal accomplished, declared had been "beyond control," because the movement to force an immediate session had its initiative among the leaders of the minority in the Senate.

Some of them were very anxious to meet soon and begin the work of organizing the next Senate in order that their differences might be the sooner composed and the distribution of patronage be over with. Others are violently opposed to the league of nations now proposed and wanted to keep up the discussion while most of them resented the failure of the President to consult them prior to his departure for Europe.

The result was that they threatened that, unless tne President agreed to call an early extra session, they would pre[illegible] the passage of the big supply bills necessary for continued Government operations. The President refused to do so and had all the better of the argument. He pointed out that the responsibility for passage of these bills was upon them and he refused to assume it. Feeling between the minority and the President grew more frigid from day to day and the result was that a large number of important bills were not allowed to come to a vote.

The results are serious and far reaching. The bill guaranteeing the 1919 prices on wheat was passed carrying an appropriation of a billion two hundred million dollars to cover possible loss to the Government. But the army bill, the naval bill, the sundry civil bill, the Indian bill, the deficiency bill, the oil leasing bill which has been pending and the river and harbor bill, together with many general bills of importance including the bill appropriating $750,000,000 for the railroads, were left on the operating table.

Many government activities are thus either embarrassed or brought to a sudden termination. If these bills or others of similar nature should not be enacted into law by July first, a great deal of the machinery of the Government must stop. The responsibility is distinctly on the men of the Senate because that was the business that was properly before the Senate. While the league of nations as proposed is a fit subject for study and discussion by men of all parties, it was not to be passed upon by the senate just ended. The appropriation bills were.

So whatever damage has been done must be charged to the republicans of the Senate who brought about the failure of these bills. Both democrats and republicans of the House had worked hard and had made up and passed the bills through the House and generally speaking. I believe, regretted their defeat in the Senate.

Kansas City, Marc[illegible] of overflowing rivers and [illegible] and heavy damages by high wa[illegible] came from throughout Kansas today. Half a million dollars damage was done at Atchison while at Topeka the Kaw river today is at flood stage. Cattle in the lowlands are reported drowned in large numbers and the crop damage heavy. A tornado swept a wide swath through Oklahoma towns, Porter, Okla., being the center of the most havoc. The toll of life so far is two known dead with three being killed at Kingfisher and one at Hinton.

WILSON PUSHES LEAGUE PLAN

Announces Deterination to Force Signing of Covenant—Peace Pact Ready for German Envoys.

Paris, March 17.—A feeling of nervousness has arisen in Paris today as a result of Persident Wilson's determination to force the signing of the covenant of the league of nations. At the same time the German envoys are ordered to place their signatures to the preliminary peace treaty. The statement of foreign minister Pinchons that he believes it will be impossible to sign the two documents concurrently represents the French view that the primary necessity is to make tentatiev peace with Germany, then complete the covenant of the league of nations by the time the final treaty is ready.

Bad Wreck on Wabash.

In a wreck on the Wabash Saturday night, the engine of No. 14 going east went into the ditch a mile east of Pattonsburg. It is reported that the fireman, French, was killed and the engineer, Newcomb, was badly injured. This report has not been officially verified. It is said the wreck was due to soft track from recent rains and high water throughout that section.

Fred Fields, colored is being held by sheriff John F. Dowden until the county court passes on his sanity. Fields has acted queerly for some time and it was at the instance of his family that the court take action.

O. D. Walker has sold his residence property in the south part of the city containing four acres (known as the Curfman property) to E. H. Chick of Clarksdale, Mo. Mr. Walker will give possession at once. The sale was made by G. B. Holmes.

THE CENSUS TAKERS

SUPERVISORS AND ENUMERATORS SOON TO BE APPOINTED

PLAN TO BE FOLLOWED

Applicants for Appointments Will Be Required to Take Examination Avoid Political Patronage.

Washington, D. C., March 17—The Act providing for the Fourteenth and subsequent decennial censusses was signed by the President on March 3. The enumeration, which will be made in January 1920, is now less than ten months distant; and the Census Board already has under consideration the selection and appointment of not to exceed 400 supervisors who will have charge of the 90,000 enumerators. The supervisors' districts will, in most cases except in the large cities, have the same boundaries as the Congressional districts. The supervisors, undr the law, are to be appointed by the Secretary of Commerce upon the recommendation of the Director of Census.

The following instructions have been given by the Secretary of Commerce to the Director of the Census in regard to the procedure to be followed in making selections and appointments of census supervisors:

"Conforming to the assurance given the President in my letter to him of March 3rd, you will please be guided by the following instructions respecting appointments to the post of supervisor in connection with the taking of the Fourteenth Census of the United States:

"A test examination, of which a record will be kept, is to be required for appointment to the post of supervisor. In addition to this, a careful personal inquiry is to be separately made respecting the qualifications of each candidate. Of this inquiry, also, a record will be kept.

"In making appointments from those who shall have passed the test examination and the separate inquiry as to qualifications, preference is to be given to those who have had executive, administrative, statistical, or accounting experience and to those who have had charge of bodies of men as administrators, provided in all cases that men with the experience stated possess the other qualifications necessary.

"You will arrange to give notice to the above effect to every candidate applying for appointment and to his sponsors, and no candidates are to be selected for appointment who do not pass both the test examination and the personal inquiry.

"You are requested to ask the Civil Service Commission to prepare the blanks for the test examination or to cooperate with you in the preparation of them. You will welcome the assistance of the Civil Service Commission in this and in any other respect in which they can be helpful to you.

"It is my earnest desire, as I know it is your own, that this census shall be an example in its quality, as well as in its promptnss. I need hardly say that neither result can be had unless the supervisors are selected with special care to their individual fitness for their task. I am depending on you as the responsible officer in immediate charge of the work to see that every precaution is taken to achieve this result. In particular, the appearance as well as the fact of political patronge are to be avoided and fitness for the work to be done will be the controlling factor in the appointments."

The Director of the Census has already taken steps to carry out the instructions of the Secretary.

The supervisors' duties will occupy their time for the greater part of a year, beginning about July 1, 1919. Their compensation will be $1,500, plus $1 for each thousand or major fraction of a thousand of population enumerated. The total compensation is an average-sized district, outside a large city, will therefore be between $1,700 and $1,800. Clerk hire and other necessary expenses will be paid by the Government.

All candidates for supervisorships should address their applications to the Director of the Census, Washington, D. C.

DEMAND CHARLES' RESIGNATION.

London, March 17.—The demand for the speedy and unconditional abdication of former emperor Charles of Austria because of strong political factions plotting to return the throne, is made by the newspaper, Arbiter Zeitung of Vienna, said an Amsterdam dispatch to the Daily Express today.

ESTIMATE NORMAL DAMAGE

The Contractors Have Not Reported Amount That Will Be Needed—Takes $1,200 to Replace Windows.

An estimate of the damage to the State Normal School building by the storm Saturday is being made by contractors and as soon as it is known will be sent to the legislature which is in session at Jefferson City to get an appropriation to cover the repairs necessary to make. It is not known how much the damage will amount to. An estimate for glass for the windows that were blown out is $1,200 while for equipment damaged in the different departments the estimate will not exceed $200.

For repairing the roof and the auditorium, no estimate has been made of the damage.

RIVERS BANK FULL

BRIDGE OUT ON WABASH NEAR CITY TIES UP TRAINS

102 RIVER IS BANK FULL

Heavy Rains Over This Section Interrupts Railroad Traffic—Nodaway Is Out of Banks.

Trains on the Wabash were tied up today on account of sixteen feet off of the west end of the dump of the 102 river bridge being washed out by drift wood. Passenger train No. 51 going west and three freight trains were able to pass over this bridge early this morning. A work train is busy at work on this bridge today and the Wabash authorities think service will be resumed probably late this evening.

Wabash passenger train No. 11 due here at 5:55 a. m. was detoured from Chillicothe to St. Joseph and then to Maryville and was scheduled to arrive here this afternoon. Passenger train No. 12 from the west arrived on time and remained here today and will go back to Omaha this evening as No. 3.

The Wabash reported today that the Grand river was still rising at Pattonsburg.

Trains on the Burlington through Maryville were practically on time yesterday and today. The 102 river was very high between Arkoe and Barnard but the track was still clear. The Burlington main line trains from St. Joseph to Omaha ran through Maryville yesterday to Creston, then to Omaha, as the main line was washed out.

The 102 river was still bank full this afternoon and was not falling much. In the low places, the water is out over the lowlands. Travel over the river bridges could be made.

No report has been received by County Clerk Fred Smith whether any bridges were washed away up to this afternoon.

At Graham the storm did considerable damage blowing down trees and small buildings. A silo and a small shed on the Arthur Steveson farm were demolished and a silo and shed on the Frank Kempton farm were blown to pieces. The Nodaway river was reported out of banks this morning and several bridges south of Graham were reported out. No trains were run on the Burlington Junction branch Sunday, the schedule being resumed this morning.

The rainfall at Maryville for Saturday was reported by Weather Observer Brink at 1.95 inches.

TORNADOES TOLL, 17 KILLED.

Vicksburg, Miss., March 17.—With wires still down to points where the tornado crossed the Mississippi river yesterday and tore its way through Sharkey, Washington and Issaquena counties in Mississippi the toll of dead today is placed at seventeen with between one hundred and fifty and two hundred injured.

A marriage license was issued Saturday to Dale Bishop Gates and Ruth Edith Lamar, both of Elmo.

URGE CREDIT BANK

BANKERS AND MANUFACTURERS AFTER FOREIGN BUSINESS

MAY REPEAL TAX COM'N

Senate Orders Engrossment of Measure—Foreign Language Bill Brings Storm of Protest.

Jefferson City, Mo., March 17.—A measure permitting bankers and manufacturers of the state to form a discount bank for the purpose of carrying on business with foreign countries has been introduced into the assembly at the request of St. Louis bankers and business men.

Breckenridge Jones, president of the Mississippi Valley Trust Company, and Festus J. Wade, president of the Mercantile Company, appeared before a joint meeting of the house and senate and urged the adoption of the measure. They agreed that if permitted by law to organize such a bank, by permitting other banks and corporations to purchase stock much business could be secured from foreign countries. They declared that because of the lack of ability to extend proper credits this section of the country has been unable to secure its share of the business.

The plan is to form a bank with from $3,000,000 to $5,000,000 capital stock and carry accounts of foreign countries and business concerns who are desirous of making purchases here.

The bank will not receive deposits or be in competition with other banks. The speakers declared that with such an institution more business would come to this section than had ever been known heretofore.

The senate has engrossed the measure providing for the repeal of the Tax Commission law by a vote of 17 to 12.

Officers of the Anti-Horse Thief Association have been here urging legislation providing that a certificate of ownership must be furnished with every automobile sold. They contend that if this is done fewer cars will be stolen. Persons familiar with the association are of the opinion that a great deal will be accomplished should the law be enacted.

Members of the legislature are being bombarded with petitions from Germans and German organizations against the passage of Representative Cave's bill prohibiting the teaching of all foreign languages in elementaary grades of the public, private and parochial schools of Missouri.

The senate has engrossed an amendment to the constitution providing for an increase of pay for legislators from $5 a day to $1,000 a year.

The tax on soft drinks will probably be fixed at 2 cents a gallon instead of 5 cents as was at first proposed. The tax is now ½ a cent per gallon.

SOLDIERS--SAILORS, ATTENTION!

Home Service Red Cross Section Will Lend Aid in Getting $60 Bonus.

The Home Service Section of the Nodaway County Chapter, American Red Cross, wihses to call attention to the fact that our Executive Secretary Miss Betty Turner, will assist any soldier or sailor in securing the $60.00 bonus which is due them according to the Revenue Act, approved February 24th to all persons serving in the military or naval forces honorably discharged. This bonus is not payable to heirs. Miss Turner is making an effort to talk to every discharged sailor or soldier in this county, and if you have not talked to her make it a point to call on her.

Miss Turner will also assist you with the matter or non-receipt of your bonds and also your insurance, as the case may be.

All this service is free to you and Miss Turner is glad to assist you in any way possible.

The annual luncheon of the P. E. O. chapter will be given at 6:30 o'clock Friday eveniny at the home of Mr. and Mrs. C. C. Corwin on South Main street.

GAS USERS WIN A VICTORY

U. S. Supreme Court Decides Kansas Natural Must Lower Rates to Kansas and Missouri Towns.

Washington, March 17.—The Public Utilities Commissions of Missouri and Kansas this afternoon won their five year's battle to secure lower gas rates for Kansas City and neighboring towns in Missouri and Kansas when the supreme court of the United States reversed the decision of the lower courts. The high court held that the Kansas Natural Gas Co., was engaged in interstate commerce, and therefore, was not under state jurisdiction. The court also decided that the state of Kansas would be permitted to file suit at the next term of court to restrain Postmaster General Burleson from maintaining long distance telephone rates recently approved by him.

BERNARD MUSE A SUICIDE

Find Body at Home in St. Joseph—Had Been Dead Several Days When Found.

The body of Bernard Muse, a former resident of Parnell was found last night at the house he had been living in in St. Joseph. He had committed suicide by taking carbolic acid and had been dead eight or nine days when the body was found.

Muse had been discharged from army service a number of weeks ago. For several years past he has made his home at intervals in St. Joseph. He had been married but he and his wife had separated and to this trouble and frequent spells of drunkness are attributed his suicide.

He was last seen about nine days ago and efforts to locate him were useless. Officers finally visited his home and broke into the house to find the dead body.

Muse was about 28 years old and is the son of Mrs. S. A. Muse of this city. He is a grandson of Mrs. Mary Thompson of Parnell and also leaves a sister, Mrs. Roy Duhean of Oklaoma.

The body will be brought to Parnell for burial.

CROWD ENJOYS PROGRAM

Westminster Guild, Assisted by Sunday School Orchestra and Choir Singers, Gives Entertainment at Presbyterian Church.

A large crowd attended the entertainment given last night at the First Presbyterian church under the direction of the Westminster Guild. The musical program was exceptionally enjoyable and was given by the Sunday school orchestra, and in addition to the regular members, Mr. John Jordan of Hydro, Okla., a member of Kryl's band, who is visiting his uncle, R. E. Thomas, played with them. A quartet given by Misses Mildred and Jennie Evans, Helen and Edna Dietz, was especially pleasing and a solo given by Mr. Emery Airy and a duet by Miss Zenor and were equally enjoyed by the audienece. A missionary pageant was given in costume by thirteen members of the Guild, the story being under the title "The Spirit fo Westminster Guild"

Mr. and Mrs. Arch K. Frank spent the week end at Parkdale farm, the guests of Mr. and Mrs. Dale Bellows.

Walter Messenger of Bartlesville, Okla., arrived in Maryville last night for a few days visit.

RUSSIA PAYS BILL

BOLSHEVIST GOVERNMENT SENDS 175 MILLIONS INTO GERMANY

RED DANGER THREATENS

Unless Bolshevism Is Crushed a General European Conflagration May Envelop—1,500 Reds Executed.

Helsingfors, March 17.—The Russian Bolsheviki government is sending 175 million dollars into Germany to finance revolutionary organizations it was learned today from an authoritative source. This is further proof of the contention that a general European Bolshevist conflagration can be averted only by the crushing of Bolshevism in Russia and by using a strong armed force to capture Petrograd. It is said that the establishment of a Polish buffer state against Bolshevism is believed in some quarters to be foredoomed to failure. There is grave danger that Esthonia is contemplating a straight peace with the Soviet government.

Berlin, March 16.—(via London, March 17.)—Fifteen hundred Spartacides including many women have been executed at Boabit prison in four days and it will take another week to kill all the Spartacide prisoners under sentence of death, it was stated today by Captain Delavoihe, who is in charge of the executions. "The Battle of Berlin" came to an end Friday and it is expected the city will remain quiet until the end of the month when there may be another outbreak. Excitement over the prospect of early peace has taken public attention to the exclusion of other matters for a time. The government is rounding up prisoners and arms, the work being conducted in a systematic manner throughout the city.

LITTLE GRAND DAUGHTER DIES

Child of Mr. and Mrs. Paul Fisher Victim of Meniugitis.

Helen Marie Fisher, the two year old daughter of Mr. and Mrs. Paul B. Fisher of Rea, Mo., died Friday afternoon with spinal meningitis. The little girl is a grand daughter of C. E. Ballinger of this city.

THE POTASH DEAL IS OFF.

London, March 17.—The Allies negotiations with Germany for the delivery of potash have been broken off, said an Amsterdam dispatch today. It was reported Saturday that Potash was expected to be one of the chief imports from Germany when the embargo on German commerce was lifted.

Justice of the Peace—W. L. Johnson.

Judge Dawson's Friend.

I was down at Maryville last week assisting Judge Dawson to run the Circuit court is the reason I failed to give The Mail readers my accustomed batch of observations. You see I and the Judge were boys together and used to splash around in the same swimming hole. Things of this kind tend to foster a brotherly feeling. I never go back on a friend of my youthful days. Of course he depends on me when in a tight place. As there were several other leading lawyers present he didn't call on me to give my opinions.—Sport's Cousin in the Atchison County Mail.

Kidney disorders cause much distress of mind and body. Such ailments should not be neglected, because they lead to diseases that are dangerous. Pricklev Ash Bitters is a fine kidney tonic. A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes —Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women as well as men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep in the pink of condition. 10c and 25c per box. All druggists.

DALLAS BUSINESS MAN ENDORSES IT

White Sewing Machine Manager Believes Tanlac Will Help All Other Sufferers.

"If it hadn't been for what other people said about Tanlac I might be suffering yet, and nobody need fear troubles like I had as long as Tanlac is made," said H. A. Morrison, local manager for White Sewing Machine Co., Dallas, Tex., and living at 3517 Brown street, that city.

"I suffered from a long-standing and stubborn case of stomach trouble," he continued. "My stomach was nearly always full of gas that gave me no end of misery, and I had to quit eating most everything but broth and light diet. I had such an awful pain in my right side that I couldn't stand up straight and sometimes I would almost double up in agony. I had terrible headaches, my sleep was so broken it didn't do me any good and I felt tired and worn out all the time.

"I read of a man in Tennessee who had gotten relief from the same trouble as mine by taking Tanlac, so I decided to try it. Before I had finished my first bottle I began to feel better and a few more made me feel like a different man. I get as hungry as a bear at meal times, eat anything I want and nothing hurts me at all. I sleep as sound as a log and get up full of life energy, I have already gained eight pounds and my work is a real pleasure to me now."

Tanlac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, Conception Junction; H. M. Lincoln, Pickering, and Carter Pharmacy, Burlington Junction, Mo., and in Barnard by Bear Drug Store, in Elmo by King Drug Co., and in Clearmont by Dr. W. H. Wiley.—Adv.

Salute the New Spring Styles for Men---

Most men like to have some information in advance about the new ideas in men's clothes; and because most men consider this store as a style center, we believe they'll appreciate these style notes for spring '19. We make it a point to be first with the newest; we get the best clothes that are made for you; clothes produced by real style creators—

Hart, Schaffner & Marx and Clothcraft

GENERAL TENDENCIES

In the spring styles created by these great clothes makers you'll find that the openings at the front of the coats are a little lower; lapels are slightly narrower; the notches of the lapels are a little lower; the coats are body tracing with a little more suppression at the waist line.

The new styles are especially becoming to the well set-up fighter coming back and to the average young American.

The Liberty stripe in suits is the newest idea; checks; overplaids; mixtures; browns, greens, blues, sage; plenty of color and life.

In our new store we are prepared to give you the very best service in showing you the goods, try-on and selection. The stock is the largest we have ever carried and you will be able to find just the suit you want here.

Hart, Schaffner & Marx Suits $30 to $50

SOCIETY and CLUBLAND

By KATE SCHENCK

PHONES—OFFICE 42. HOME 683

Calendar.

The Epworth League of the Methodist church, South, will give a St. Patrick's social tomorrow night at the church.

The meeting of Division B, of the Ladies Aid society of the First Christian church, which was to have been held Wednesday afternoon at the home of Mrs. James B. Robinson, has been indefinitely postponed.

The Penelope club will meet Wednesday afternoon at 2:30 o'clock at the home of Mrs. R. S. Braniger.

There will be a mother's council held Wednesday afternoon at 2:30 o'clock at the home of Mrs. Ed T. Dale for the mothers of the children in the cradle roll department of the Methodist church, South.

The New Era class of the First Presbyterian Sunday school will give a pie supper at the church Thursday night. There will be several entertainment features and evryone is invited.

The Women's Foreign Missionary society of the First Methodist church are working this week on a special program for next Sunday morning at the church for their annual "Thank Offering" service.

Lamar-Gray.

Miss Ruth Lamar and Mr. Dale Gray, both of Elmo, were married at 2:30 o'clock Saturday afternoon at the study of the Methodist church, South, the pastor, Rev. R. C. Holliday, performing the ceremony. The young couple are prominent people of the Elmo community and will make their home there.

Mrs. W. T. Garrett gave a dinner yesterday noon entertaining all the members of the family. Those present were Mr. and Mrs. W. O. Garrett and children, Arthur and Gertrude, Mr. and Mrs. Frank Garrett and son, Billy, Mrs. Nellie Airy, Mr. and Mrs. Milton Garrett and Miss Jennie Garrett.

Snapp-Bell.

Mrs. John Snapp announces the marriage of her daughter, Miss Pearl Snapp, to Mr. J. F. Bell of Kansas City, which took place March first in Kansas City.

A Theatre Crowds Experience.

Four Maryville girls went to St. Joseph Saturday evening to see the presentation of "The Auctioneer," by David Warfield at the Lyceum. It rained and rained, in Maryville all the way down and in St. Joseph, and by the time the girls came back to the hotel after the show their dresses were wet and the whole bunch sent them to the hotel cleaners to be made ready for Sunday. The cleaner mixed the garments up sent them some where else and the visiting girls had to remain ala kimona in their rooms at the hotel until afternoon before the clothes were found and returned.

Mission Circle Entertained.

Mrs. G. B. Roseberry, Mrs. Frank Green and Mrs. Ed Hamlin entertained the Mission Circle of the First Christian church Saturday afternoon at the home of Mrs. Roseberry. The program was in charge of Mrs. A. K. Frank and readings upon the topic of the afternoon were given by Mrs. Newton Hagin, Mrs. M. L. Grable, Mrs. E. E. Faris and Mrs. Fraank Reavis and several musical numbers were given by Mrs. Harry Todd. One of the most pleasant parts of the program was the reading of greetings from four former members, Mrs. John Claude Miller of Boulder, Colo., Mrs. Harold Bellows of Chicago, Mrs. William Wade Smith of McCook, Nebr., and Mrs. Frank Flynt of St. Louis. A luncheon and social hour followed the program.

All Choked Up With Catarrh? Why Continue Makeshift Treatment?

Sprays and douches will never cure you.

Catarrh is annoying enough when it chokes up your nostrils and air passages, causing painful and difficult breathing and other discomforts. But the real danger comes when it reaches down into your lungs.

This is why you should at once realize the importance of the proper treatment, and lose no time experimenting with worthless remedies which touch only the surface. To be rid of Catarrh, you must drive the disease germs out of your blood.

Splendid results have been reported from the use of S. S. S., which completely routs from your blood the Catarrh germs, for which it is a perfect antidote.

S. S. S. is sold by all druggists. If you wish medical advice as to the treatment of your own individual case, write to-day to Chief Medical Adviser, Swift Specific Co., Dept. B, Atlanta, Ga.

NERVOUS PROSTRATION

May be Overcome by Lydia E. Pinkham's Vegetable Compound — This Letter Proves It.

West Philadelphia, Pa.—"During the thirty years I have been married, I have been in bad health and had several attacks of nervous prostration until it seemed as if the organs in my whole body were worn out. I was finally persuaded to try Lydia E. Pinkham's Vegetable Compound and it made a well woman of me. I can now do all my housework and advise all ailing women to try Lydia E. Pinkham's Vegetable Compound and I will guarantee they will derive great benefit from it."—Mrs. FRANK FITZGERALD, 25 N. 41st Street, West Philadelphia, Pa.

There are thousands of women everywhere in Mrs. Fitzgerald's condition, suffering from nervousness, backache, headaches, and other symptoms of a functional derangement. It was a grateful spirit for health restored which led her to write this letter so that other women may benefit from her experience and find health as she has done.

For suggestions in regard to your condition write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years experience is at your service.

MAKE OLD SHOES WEAR LIKE NEW

"I had Neolin Soles put on my shoes—wore these shoes every day for fifteen months, then had Neolin half-soles put on. They are still in good condition," writes F. T. Evans, of Seattle, Washington.

This is cutting shoe bills down to the minimum through Neolin Soles. Anyone can do this if he will follow Mr. Evans' example, and have his shoes re-bottomed with Neolin Soles. These tough, durable soles cost no more than soles that give only ordinary wear. And all good repair shops have them.

Neolin Soles come on new shoes, too—in many styles for men, women and children. They are created by Science to be all that soles should be—comfortable and waterproof, as well as long-wearing. They are made by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear any other heels.

The Shows Only New Car

DON'T FAIL TO SEE AND RIDE IN IT

The Essex-$1395

HAS ECONOMY OF THE LIGHT CAR; COMFORT PERFORMANCE AND ENDURANCE OF THE COSTLIEST

The most interesting exhibit at the automobile shows this year is the one new car—the Essex.

Its coming has been looked forward to for more than a year.

The announcement awakened a new interest in motor cars. Thousands have already seen and ridden in it. Dealers have had to establish waiting lists for buyers, as deliveries can not be made as promptly as everyone wants them.

The Essex possesses the riding qualities and endurance, the elegance and refinement, that have been the exclusive attractions of large,costly cars.

It does not cost much to buy or to maintain an Essex.

You Should not Only See It—
You Should Ride in the Essex

As you view the various exhibits at the automobile show, you will see the cars you already know. A few changes in body design perhaps, but nothing of importance mechanically has been produced during the past year.

The Essex, therefore, is the distinctive car, for it is new in name, type and value.

It is light in weight. It has the qualities, economy and low operating cost that make the light, cheap car attractive. It has the easy riding qualities and the performance and the long endurance, as well as the refinement of appointment of large and costly cars.

Rattles and squeaks which cause cars soon to grow old are not so likely to develop in the Essex. Its frame is as rigid as a bridge girder. Every wearing part is adjustable.

Every one who attends the automobile shows should arrange to ride in the Essex. It rides so easily you won't be reminded of every cobblestone.

Its First Year's Production
Is a Second Year's Car.

When the Essex was put on the road last year its builders knew there need be no haste in getting into quantity production. So the engineers had months to refine and to develop it. The result is equal to that which comes to a car in its second year, after all the annoyances and discrepancies, so common to a first year production, had been completely eliminated.

Its dealers, through long association with fine quality cars, are leaders in their respective communities. You will find Essex dealers in every important automobile distributing and selling center in the world.

Go Straight to the Essex Dealer
And Say You Want a Test Ride

If you don't get an opportunity to ride in the Essex during the show, then go to the nearest Essex dealer and arrange for a ride. Nearly every Essex dealer now has his first cars. They are all alike. Anyone will make good. Any you should know what the Essex can do.

ESSEX MOTOR CARS

This invitation is to everyone. Nothing helps the Essex so much as to have people ride in it. We know what you will say. It will be what hundreds of thousands are already saying.
